

KUPER WINE TRAVEL PRESENTS

Tuscany 2027

October 2 – 11, 2027 · Florence, Chianti, Siena & Montalcino

Rolling hills sewn with cypress, olive groves and vines — and the wines that made them famous.

Join us for nine days in the heart of Italy. We begin with three nights in Renaissance Florence, venturing out to Modena's sparkling Lambrusco and the storied estates of Chianti. Then we move south to medieval Siena for five nights among the towers of San Gimignano, the Brunello cellars of Montalcino and a thousand years of winemaking at Badia a Coltibuono.

Along the way: a welcome reception, a hands-on Tuscan cooking class, a Michelin-starred wine dinner, and plenty of free evenings to wander cobblestone streets on your own terms.
